Brief description about college

Sivagiri Sree Narayana Medical Mission College of Nursing is a centre of excellence in nursing education located in Varkala under Sree Narayana Dharma Sanghom Trust. The college was established in 2004 aims to provide quality nursing education to prepare humanitarian and skilled nurses in the future. The principles of nursing education of our college strongly focus on the educational visions of Sree Narayana Guru. This institution is affiliated to Kerala University of Health Sciences and fulfills the criteria of Indian Nursing Council and Kerala Nursing council. Our college offers BSc, Post Basic BSc and MSc Nursing courses of all specialities. The college is well equipped with all laboratory facilities and the anatomy lab is full-fledged with the cadavours, models and specimen. Computerized library is having 4500 National and international books, 35 National and international journals & 'e' journals. The students from other colleges inside and outside of Kerala are visiting the college to observe the facilities and infrastructure. The faculties of our college are highly qualified and experienced MSc Nursing graduates. The college is attached with Super Speciality parent hospital Sivagiri Sree Narayana Medical Mission Hospital with all

specialities. A Community Health Centre is attached with the college to provide prevention and promotion care to the public.
